

Bridge To Brilliance

A National Education & Career Support Initiative

“Because Every Dream Deserves a Chance.”

Bridge to Brilliance is a **trust-funded national program** designed to support students in building strong academic and career pathways. The program provides **100% coaching fee support** for selected students by paying the fee **directly to the coaching institute**, ensuring transparency and real educational impact.

The initiative helps students prepare for **competitive exams, higher education, and career opportunities**, bridging the gap between education and employability.

Across India, many graduates struggle to find jobs due to a lack of proper training and exam preparation. **Bridge to Brilliance aims to solve this challenge** by helping talented students access quality coaching and guidance.

WHO CAN APPLY

Students from multiple academic levels can apply:

- **Class 11 & 12 Students**
- **Undergraduate (UG) Students**
- **Postgraduate (PG) Students**
