

# BRIDGE TO BRILLIANCE

Talent and Coaching Scholarship Programme

**"Because Every Dream Deserves a Chance"**

## A PAN-INDIA INITIATIVE BY AD LIFE TRUST

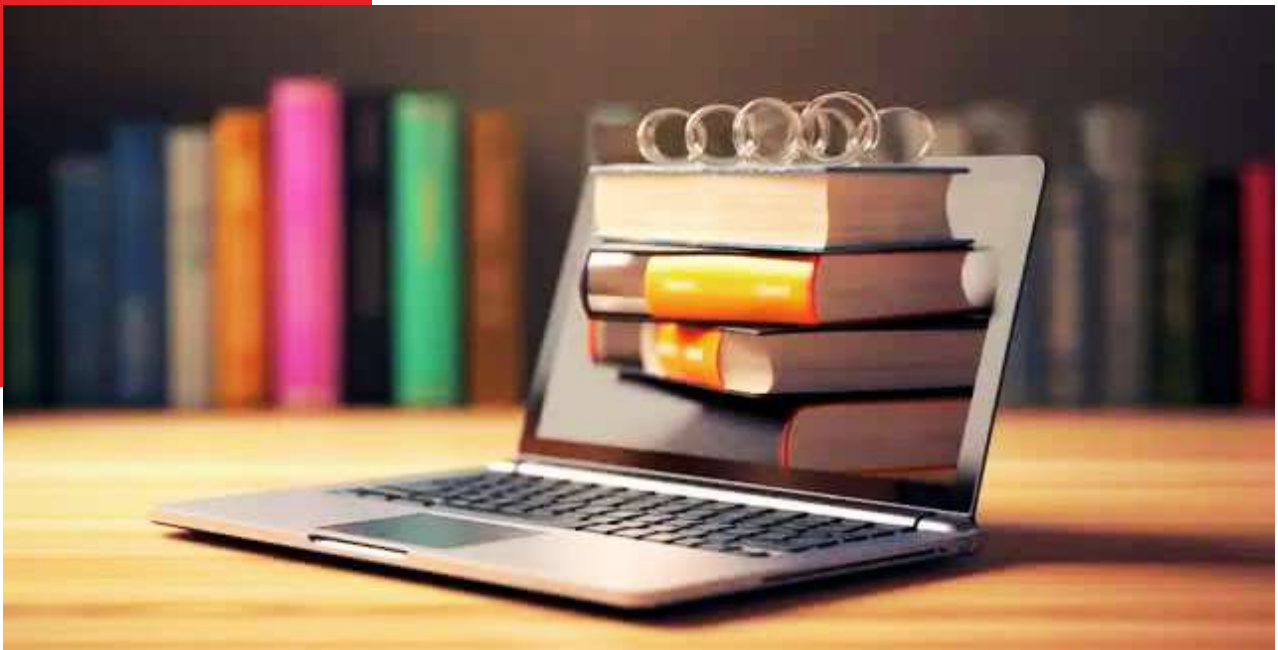

*The Bridge to Brilliance Talent and Coaching Scholarship Program uses a comprehensive national-level talent assessment to move beyond traditional academic grading, instead focusing on professional readiness and career success. By providing a structured National Score and Rank, the program helps students understand their standing on a competitive national scale, bridging the gap between formal education and the practical skills required for specialized careers.*

## Situational Analysis

### INDIA'S CAREER GUIDANCE CRISIS

- **90%** Of Indian students choose their career without any professional guidance relying instead on relatives, neighbours, and prevailing social trends (UNbacked BCAR 2025).
- **10%** Only 1 in 10 students has ever received expert career advice or is even aware it exists.
- **93%** Of students know fewer than 10 career options out of 250+ viable professions. The rest remain invisible to them.
